Patent No. 7,257,477 B2

Patented: August 14, 2007

ON petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Holger Hülser, Graz (AT); Robert Fischer, Graz (AT); Alois Danninger, Kapfenberg (AT); and Michael Stolz, Graz (AT).

Signed and Sealed this Fifth Day of July 2011.
